Summary of the Examination Day

You will be given a personalised timetable which has all the relevant information that you will need for each examination. You will receive a hard copy of this timetable and it will also be available for you to view via EDULINK. Seating plans will also be displayed in the Ante Hall.

In order to protect the floor of the Sports Hall you must wear rubber soled shoes or trainers (during exam weeks only) You must arrive promptly for each examination, bags and coats will be placed in allocated places (through the main entrance, by the PE office) and you will then line up in the Sports Hall in column order in front of the displayed letter corresponding to the seating plan. **YOU MUST LINE UP AND WAIT IN SILENCE** before being directed to the examination desks.

From the minute you enter and leave the examination room, you are under examination conditions, this means that you must be silent at all time and you must not communicate in any way with other candidates. Anyone that does not adhere to these regulations will be removed from the examination room and will need to complete all of their examinations in isolation after school.
