Invitation to a Parent/Carer Workshop

Dear Parent/Carer

Recently I wrote to you about the possibility of providing a Parent/Carer study skills workshop to give tips about how you can support your daughter with revision at home.

Based on the feedback received, I am delighted to be able to invite you to a parent study skills workshop delivered by Learning Performance Training on **Tuesday 5th April at 5:30pm.**

Learning Performance is the UK's leading study skills company. Their interactive and motivational workshops show students how to learn, how to revise and how to prepare for exams with creative strategies such as, memory techniques. Research shows equipping students with such learning strategies can improve progress by an average of 8 months. This would be a follow up to the study skills workshop that all year 11 students had on the 4th February 2022, where a range of strategies were introduced.

Please arrive promptly at the main school entrance on Knightlow Road.
There will be a maximum of two places per family.

Please click on the link below to provide the names of who will be attending the event.

The workshop will take place in the school hall and will finish at 6:30pm.

We look forward to seeing you at the Parent/Carer Workshop on the 5th April.

Yours sincerely,

Mrs L Finucane
